

10,000 LAKES CHAPTER
INTERNATIONAL CODE COUNCIL

10,000 Lakes Chapter Presents:

2018 IBC Fire and Life Safety Principles

July 21st, 2022

Presented by ICC Instructor Doug Thornburg

This seminar addresses the critical concepts of the 2018 IBC regarding fire and life safety issues. These concepts provide a basis for the correct application of the code in building planning, including the classification of buildings and occupancies. Allowable building heights and areas, fire-resistance-rated construction, fire protection systems and means of egress will also be thoroughly discussed. The content addresses issues in IBC Chapters 3 through 10 that are necessary for many design and plan review decisions.

Cost is \$130 seminar & conference or \$100 seminar only for 10K Lakes members
Cost is \$160 seminar and conference or \$130 seminar only for non-members.
